

What Do You Do When You Hear Your Name?

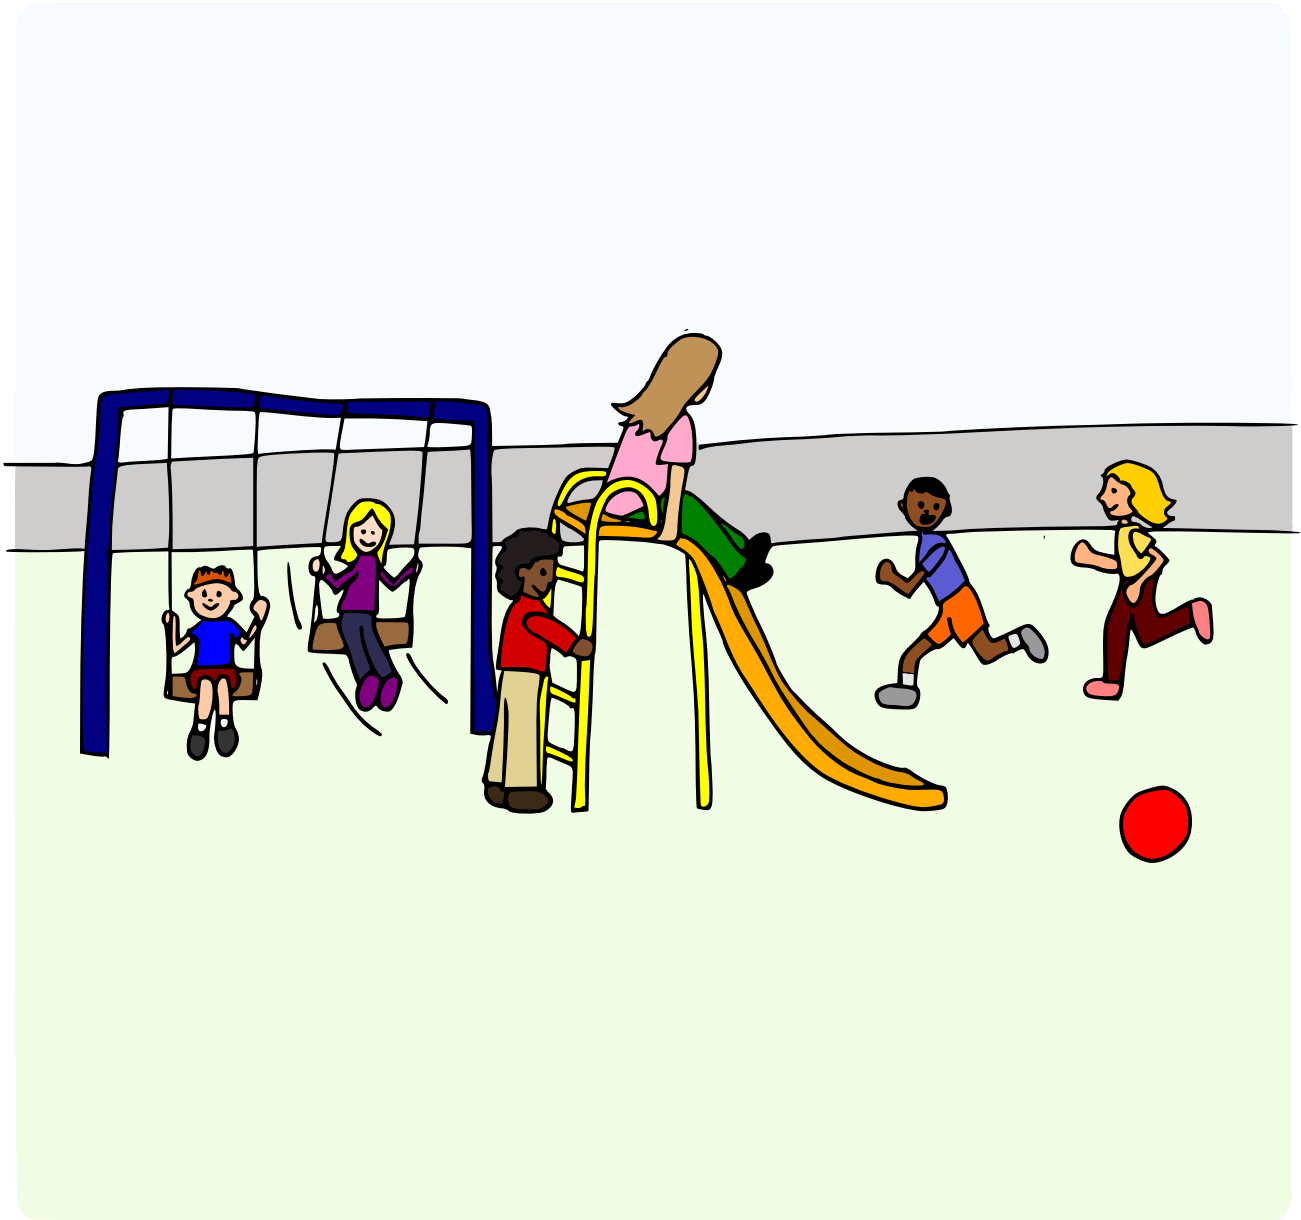

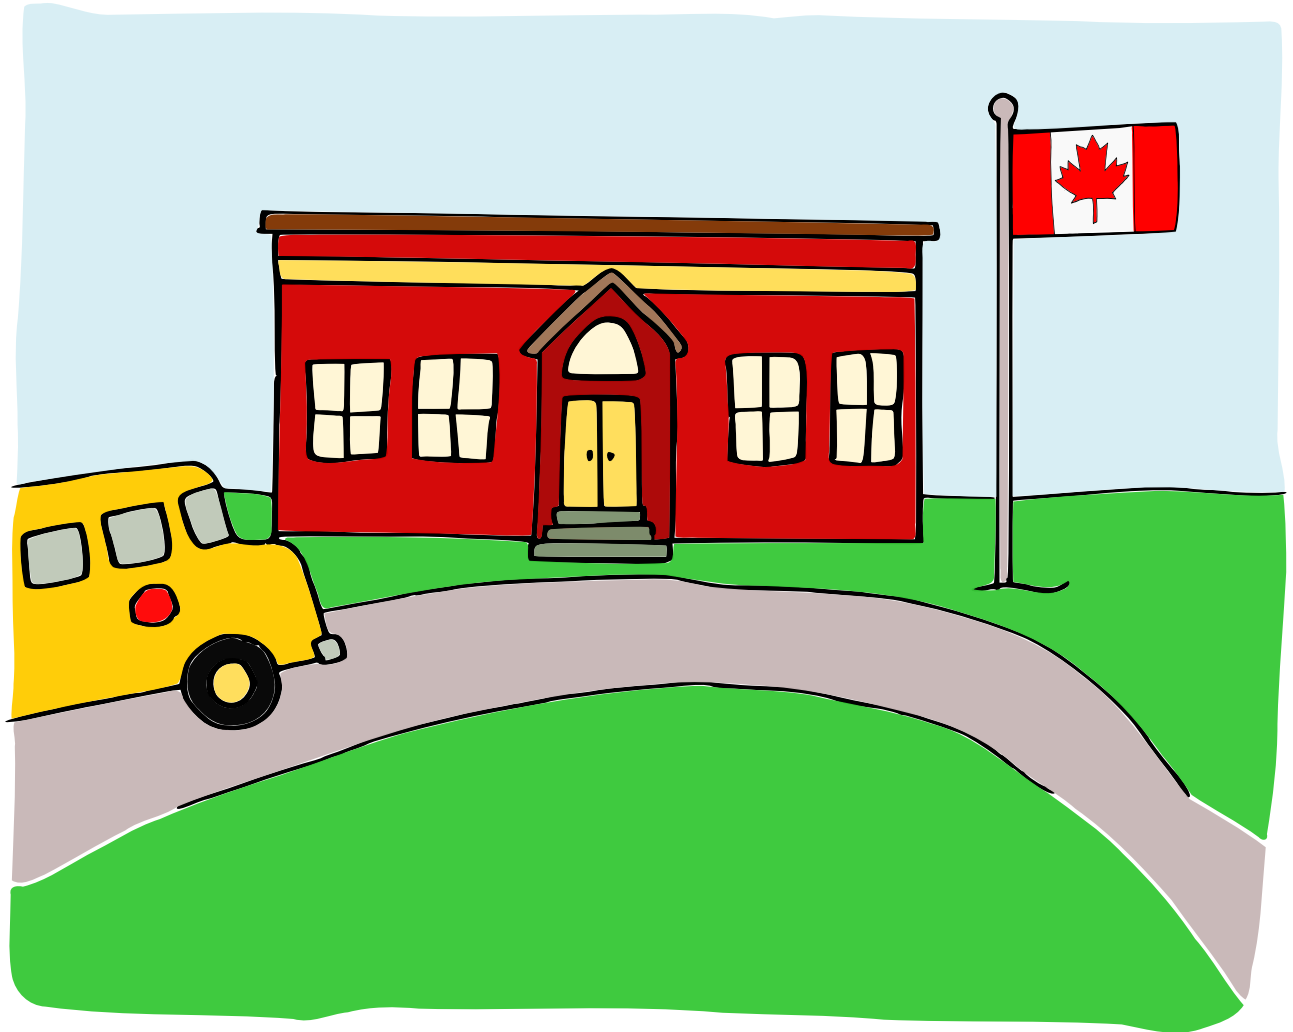

When you're playing with your friends,

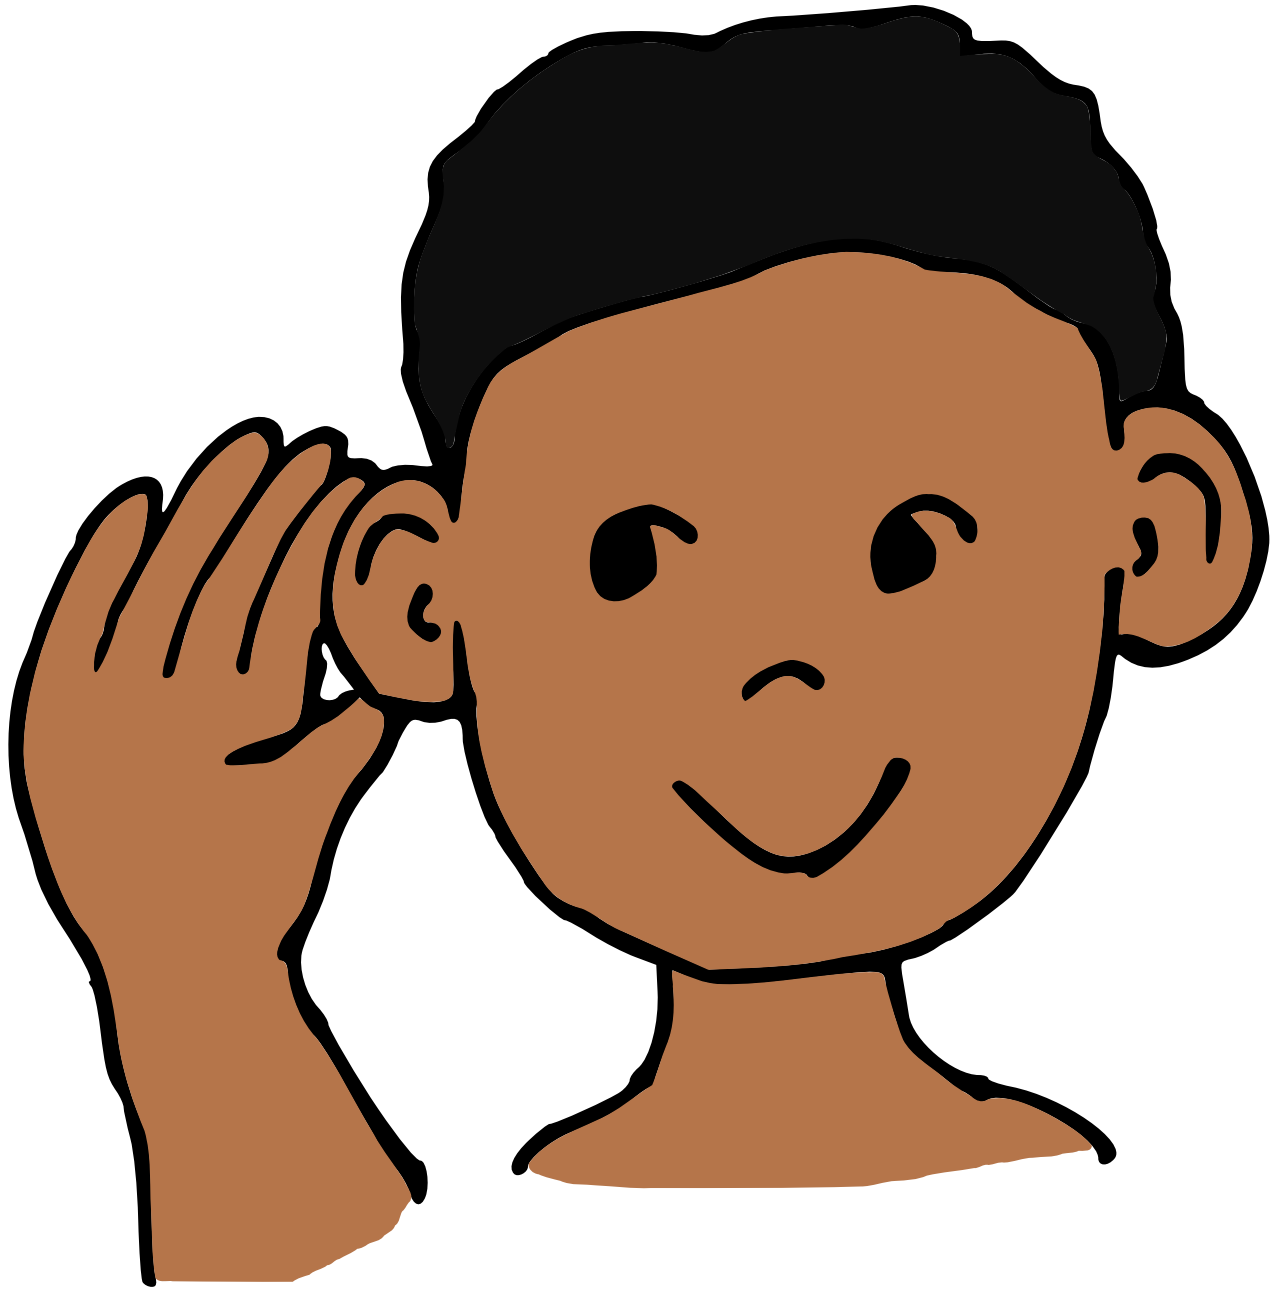

at the store with Mom or Dad,

playing at the park,

at school...or anywhere else...

what do you do when you hear your  
name?

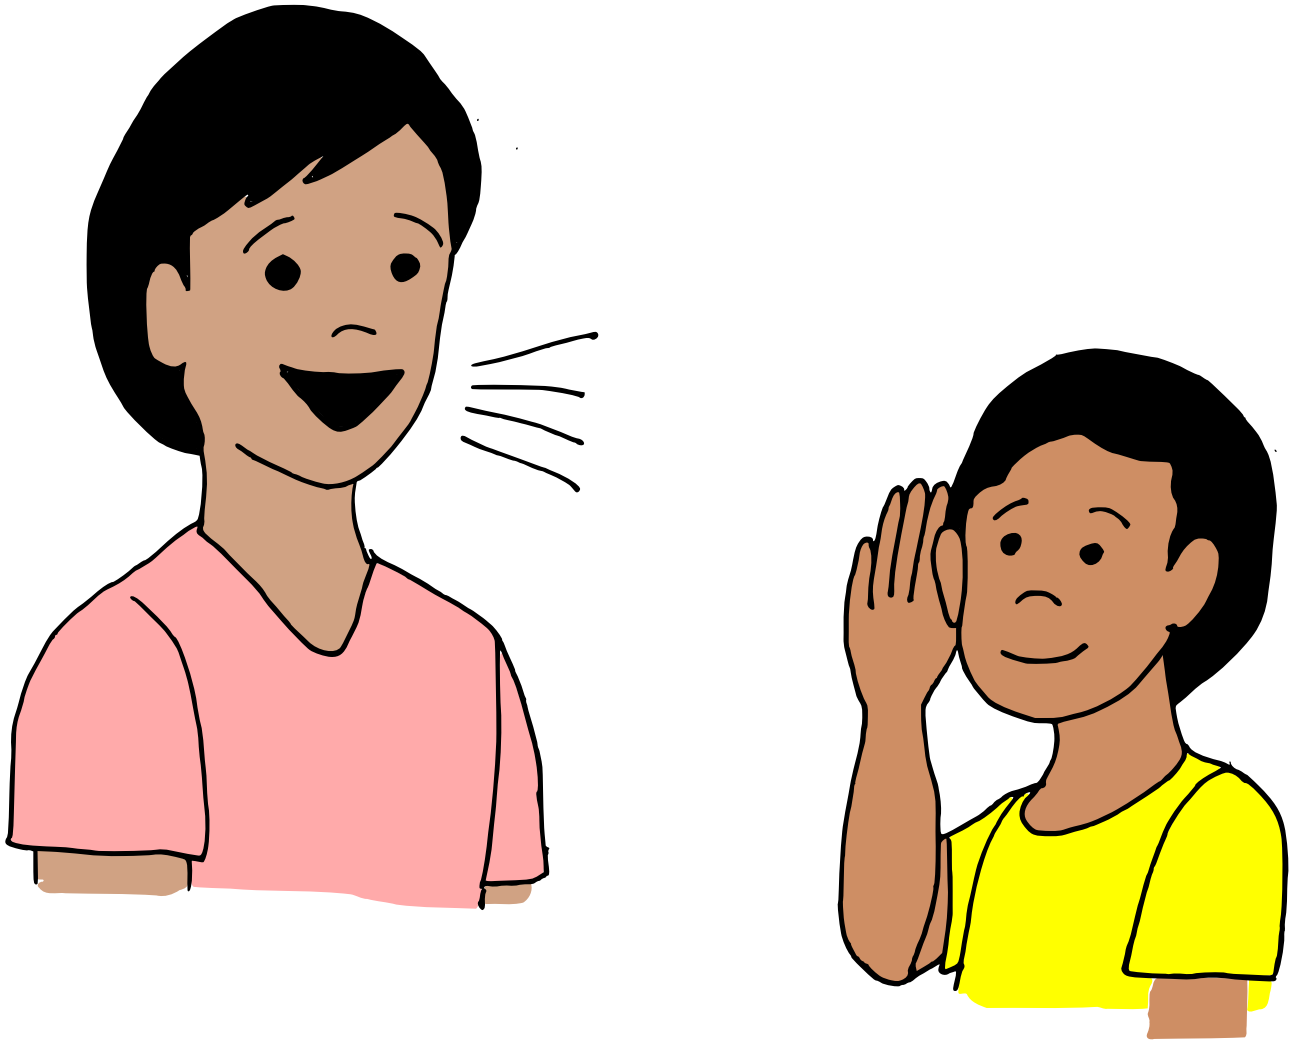

You stop.

Say, "yes."

And listen to the person who called  
you.

When you say yes and listen you stay  
safe and everyone has a good day!
