Set up the room to suit your style: Choose round tables for a conversational atmosphere, and imperial (or family-style) long tables for dramatic impact.

THE CELESTITE

Intimate and romantic, most often utilized as a guest check-in welcome lounge, can easily transform to a private elopement or small ceremony space against the stunning backdrop of a large natural stone fireplace.

THE OUTDOOR TERRACES & DECKS

Both the Emerald and Sapphire Building have main level and second floor terraces with a view, ideal for smaller ceremonies, outdoor lounge areas, cocktail parties, dinners, weddings and first looks.

These spaces include Moonstone Muse, The Emerald back deck and Opal patio.

Beautiful manicured lawns are the perfect setting for unparalleled ceremony backdrops, with views of the valley, fountains and Estate. Various locations and set-ups for ceremonies are possible on the grounds, and make for an elegant transition to the cocktail hour, outdoor parties complete with lawn games and endless possibilities for design.

THE CARNELIAN
