

## Clinical Application Education for Physicians & Medical Trainees

Physicians and Medical Trainees must complete their clinical application education before they are granted access to the **PowerChart / Firstnet** Electronic Patient Record. This education consists of a series of online eLearning courses followed by mandatory in-class scenario exercises.

### Step 1: Complete each of the online eLearning courses

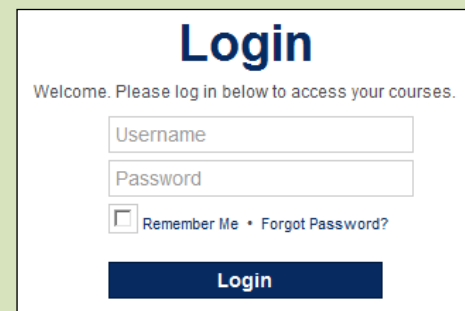

#### 1. Navigate to the Mount Sinai Hospital Learning Management System (LMS)

- This address is accessible from inside or outside the hospital.

<https://mountsinai.myabsorb.ca>

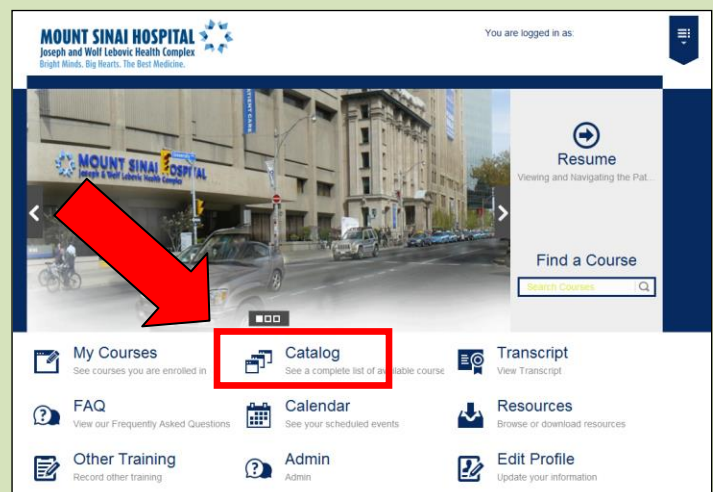

#### 2. Log in to the LMS

- For the *Username* enter the email address you supplied to Mount Sinai Hospital
- For the *Password* enter **training**

#### 3. Open the course Catalog

- Click **Catalog** to view a list of all
- MSH online eLearning courses.

#### 4. Open the Informatics Centre for Education

- Click the **Information Services Centre for Education** folder to view a list of clinical application courses.

The screenshot shows the Mount Sinai Hospital Catalog interface. The header includes the hospital logo and the text 'You are logged in as: Ruel Dela Rosa'. The main content area is titled 'Catalog' and features a search bar and a 'Show Enrolled' toggle. A list of folders is displayed, including 'Absorb Training', 'Clinicians', 'Emergency Preparedness', 'Human Resources', 'Information Services Centre for Education', and 'Medical Imaging'. The 'Information Services Centre for Education' folder is highlighted with a red box, and a red arrow points to it from the left.

#### 5. Select ALL of the services you will be rotating through this year

- Save time by completing **all** the courses required for **all** this year's rotations at the same time!
- Click **Enroll** and **Launch** for each rotation to view the list of required courses.

The screenshot shows the Mount Sinai Hospital Catalog interface with a list of rotation services. The header includes the hospital logo and the text 'You are logged in as:'. The main content area is titled 'Catalog' and features a search bar and a 'Show Enrolled' toggle. A list of rotation services is displayed, including 'Rotation: Anaesthesia', 'Rotation: Consulting Service', 'Rotation: Dentistry - Oral Maxillofacial', 'Rotation: Emergency', 'Rotation: Family Practice', 'Rotation: Gynecology ( Inpatient Surgery )', and 'Rotation: Medicine'. The 'Launch' buttons for 'Rotation: Consulting Service', 'Rotation: Dentistry - Oral Maxillofacial', and 'Rotation: Family Practice' are highlighted with red boxes, and a red arrow points to them from the right.

## 6. Launch each of the courses listed

- Click **Launch** next to each course.

**Selected**   **In Progress**   **Completed**

## 7. Review each of the videos within the course

- Each course consists of 5-15 individual videos.
- Click **Launch** next to each video.
- At the end of each video click the **Next Activity** button to advance to the next video.

**Next Activity**

**Selected**   **In Progress**   **Completed**

## Step 2: Complete the corresponding in-class scenario exercises

**Important:** In order to allow sufficient time for account processing, ensure that you have registered at Medical Education at least **24 hours PRIOR** to coming to class.

Classes are located in the **Mount Sinai Hospital Building** at **600 University** in the **Informatics Center for Education Classroom** (Room 11-207, 11<sup>th</sup> floor). Classes are held on a drop in basis (no appointment necessary).

Classroom hours:

**Mondays & Thursdays: 9:00-12:00 & 1:00-3:00**

**Fridays: 9:00-12:00**

*(The classroom is closed Tuesdays and Wednesdays)*

### Extended hours provided during physician rotation period:

June 20 to June 24: 9:00 - 4:00

June 27 to July 1: 9:00 - 4:00

July 4 to July 8: 9:00 - 3:00

At the end of the class you will receive your password.
