

Outdoor Learning Choice Board-Alexa Charles 2020

Level of Support

Learning Opportunities

Green = by themselves

Zones of Regulation Mindful Listening

- open your window or sit in your garden
- listen to everything you hear in nature
- draw and write about what you hear.

Thanks SD43 and The "Thrive at Home" Newsletter!
Do you have a nature "sit spot"?

Could you try writing your journal outside?

Topic : Where is your favourite place to wak in nature?

- Describe using your 5 senses to share (see, touch, feel, hear and taste)
- Why do you love to go on nature walks?
- Remember to start your Journal with a sentence that hooks your reader
- Give three reasons and include an ending
- Sentences start with a capital and end with a period

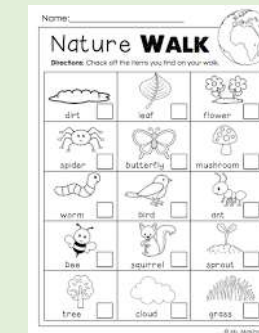

Salmon
First Peoples Artist
Michelle Stoney
shares her art with us:

[Click here](#)

to see a copy. Can you try to draw a salmon like Michelle did?

Nature Walk Scavenger Hunt
Try to find these items! [Click Here](#)

Blue = with some support at times

Listen to the book,
[Trudy's Healing Stone](#)

And try some
Owl Rock painting

Infographics Outdoors!

Ask a big idea! Be outside! Use paper, pencil, crayons and beyon! Ask students to think 'comic book!' and write and draw the answer. Share this example (one of my favourites!) and watch the learning happen!

What is Imaginitve Ed? (CIRCE) By artist Corrina Keeling

Metro Vancouver and Dream Rider Productions
Presents....

Planet Protector Academy!
Learning about Water conservation and more!

Salmon
Did you know? The salmon fry in the lower mainland would be "leaving home" during festivals in creeks during the month of May?

Check out the
[Hoy/Scott Watershed Society](#)

And think ways you can celebrate the salmon leaving home, while at home!

Click on the link to learn something new about salmon. [Types of Salmon](#)

Draw a picture of a salmon and use the link to label the parts.

[parts of a salmon](#)

Yellow = with support/ a person to play with

**Weekly "Look What I Did!"
Square
Nature Number Fun**

Try 1 or Try all 4!
Take a picture or video and post it to your FreshGrade student app!
[Nature Math Games](#)

[NEEF](#)
offers amazing and simple resources outdoors
K-12!
[AT Home](#)
[At school tool kit](#)

[Gillian Judson's walking curriculum. Sample Walks!](#)

Want more?

Gillian Judson's walking curriculum (Math)

- 1-Shape Walk! How many shapes can you find? Make a list! Draw them! Label them!
- 2-Pattern Walk! How many patterns can you find in nature? Draw them! Label them!
- 3Go on a nature walk and notice something that represents each colour of the rainbow (ROYGBIV).

Megan Zeni!

Phenomenal Outdoor Educator out of Richmond SD!

[Has her OWN Outdoor Learning choice boards with a TON more ideas that are simple, curricularly supported, and tested!](#)

Walton Elementary's very own Ms. Stefanie, made our community some educational videos featuring Walton's vegetable garden program.

Visit Your Walton Garden! Our seeds have sprouted!

Gardening Video Extension:

What do plants need to grow? Can you name 5 things that Stefanie tells us? How come the seeds we planted inside grew 5 times larger than the ones planted outside?

Visit Your Walton Garden! What's Growing now?
