Montreal Children's Hospital Foundation

You are invited to nominate candidates for the 2021 edition of the Awards of Excellence, presented by the Montreal Children's Hospital Foundation. The Awards recognize individuals who make a significant contribution to The Children's. An interdisciplinary committee of the Hospital personnel, including last year's recipients, will review the nominations submitted and select the recipient of each award.

THE CRITERIA

The following criteria must be considered when submitting your nomination.

- Nominees should be members of The Children's community.
- Nominees must have made an outstanding contribution to The Children's and to the health and well-being of young patients and their families.
- Nominations may be made across all disciplines.
- Select your nomination from the category descriptions on the next page. The Foundation reserves the right to transfer the nominee to a category it deems more appropriate.
- Please include all pertinent documents including the completed nomination form and two additional endorsements (name and contact information) by peers or Hospital staff. You may also include the nominee's CV or a short bio, should you feel it would strengthen the nomination.

All nominations must be received by:
Friday, June 18th, 2021

The committee may seek further information in order to facilitate the selection process.

For more information, please contact Louise Whitty by email at: lwhi@mchf.com
