

THANKS FOR DOWNLOADING OUR NETMATH HOLIDAY GREETINGS CARD.

How to use it:

Print this document on 8 ½ x 11 paper or cardboard, landscape format, at 100%. Then use the marks to cut the card to the proper size, then fold it in two. Don't forget to fill out your coupon and write your best wishes inside.

Helping hand examples:

...borrow my favourite book, help with your math homework, get a big hug, share my snack, get a favour, etc.
