

GO.2 CONDOMINIUMS

By Pemberton

GO.2 Condominiums is coming soon to the historic Village of Maple. Pemberton Group's newest York Region condominium will offer spacious suites, outstanding onsite amenities, and easy access to the many shops, dining and services found nearby.

Situated in the growing Major Mackenzie Drive and Dufferin Street area, and close to the Maple GO Station, residents will have excellent connectivity to the entire Greater Toronto Area.

From the Maple GO Station it's a quick ride to Vaughan Mills, York University, and Pearson airport. To Union Station it's just over a half-hour ride. GO.2 will also be well served by the GO Transit Barrie rail line, GO Transit buses, York Region Transit and the Toronto Transit Commission. Highways 400 and 407 are only minutes away as well.

Interiors will have Pemberton's renowned high quality features and finishes. Highlights - all as per plan, include: 5"-wide laminate flooring in living room, dining room, den, bedroom(s), hall and foyer; smooth-finished ceilings throughout; 9-foot ceiling heights in principal rooms; contemporary kitchen designs with under-cabinet lighting, a stainless

steel kitchen appliance package; a white front-loading washer and dryer in the laundry area; spa-like bathroom(s) and an outdoor balcony, terrace or patio.

Onsite amenities start with welcoming 24-hour concierge service. There will be a state-of-the-art indoor/outdoor fitness centre with change rooms for men

Residents will have excellent connectivity to the entire Greater Toronto Area.

and women, indoor/outdoor party room with catering kitchen and bar. Residents also have use of the landscaped outdoor terrace with lounge and barbecues, and the dog wash.

GO.2 will rise to 12 storeys with 307 well-appointed suites, and 5 spacious townhomes. Suite layouts will include one-bedroom, one-bedroom + den, two-bedroom and two-bedroom + den designs, while townhome choices will

include two- and three-bedroom designs.

Specifications are correct at press time. See a sales representative for full details.
