PEMBERTON BREAKS GROUND AT HIGHLY SUCCESSFUL INDIGO CONDOMINIUMS

It was only just over one year ago that Pemberton Group introduced Indigo Condominiums in Maple. The community has proven so successful that construction has already started! At the recent groundbreaking celebration, purchasers, their families and friends joined Pemberton Group President Marc Muzzo, Director Eliot Muzzo, Sales and Marketing Manager Alexandra Muzzo, as well as partner Jim DeGasperis, and Duane Aubie of York Major Holdings Inc., to mark this special occasion.

Guest of Honour, City of Vaughan Ward 4 Councillor Sandra Yeung Racco welcomed homeowners to this vibrant neighbourhood, and presented Marc Muzzo a certificate to commemorate the official ceremonies.

Vivian Risi, President of Royal LePage – Your Community Realty, congratulated buyers for recognizing the inherent value in living at this convenient address next to the Maple GO Station.

Upon completion, Indigo residents will be able to enjoy this condominium's spacious open-concept suite designs, and the wealth of onsite amenities. Amenity highlights include, the party room with caterers' kitchen, bar and private dining; a fitness centre with steam rooms, indoor hot tub and yoga studio; theatre; ground floor patio with barbeques; landscaped rooftop terrace with lounge and barbeques; and a dog wash.

Features and finishes include smooth ceilings throughout, 5"-wide laminate flooring in living areas, and 9' ceiling heights in principal rooms.

Watch for GO.2, Pemberton's newest York Region condominium, coming soon to the historic Village of Maple.

To register online for GO.2 or to learn more about Pemberton's many fine condominium communities across the GTA and those coming soon, visit pembertongroup.com. You can also follow the company on Facebook, Twitter, Instagram and YouTube.
