

GO.2 BY PEMBERTON GROUP

Spacious suites in a connected location

In your new home search, ensuring you have local and onsite amenities that enhance your lifestyle is just as important as the layout of the suite or townhome you choose.

Pemberton Group condominiums are in established neighbourhoods across the Greater Toronto Area. All are close to public transportation and surrounded by everything you need. Each offers exceptional design inside and out, as well as a unique at-home environment created through exceptional features and finishes, plus onsite health and wellness, and entertainment facilities.

GO.2 Condominiums is a perfect example. This community boasts large family-friendly suites, and has one final townhome still available. Situated in the historic Village of Maple at Major Mackenzie Drive and Dufferin Street area, there are excellent elementary and secondary schools, lots of parks, and many shops, dining and services.

It's steps to the Maple GO station, and seconds from Eagles Nest Golf Course. For commuters it's just a half-hour ride to Union Station, and easy access to the GO Transit Barrie rail line, GO Transit buses, York Region Transit and the Toronto Transit

Commission. Highways 400 and 407 are minutes away.

Nearby Vaughan Mills offers more than 200 fashion, dining and entertainment venues. You can take in a movie at Colossus in Woodbridge. Canada's Wonderland is only 10 minutes away, and Zooland Indoor Play Centre is a local favourite!

Now is your final opportunity for pre-construction prices! Available GO.2 suites range from one-bedroom to two-bedroom and two-bedroom plus den layouts priced from mid-\$300s. The single two-storey three-bedroom + den townhome available is priced at \$903,900.
